Our quick reference guide allows you to easily identify the most appropriate adhesive for the floor covering you are installing.

All ARDEX Flooring Adhesives are designed to work with our complete range of Levelling and Smoothing Compounds, in both commercial and domestic environments, and have been developed and tested to be fully compatible with today's most commonly used floorcovering types.

All ARDEX Flooring Adhesives meet the requirement guidelines for the EMICODE licence achieving the lowest possible, or very low emission limits.
