## Bona Finish Systems

Used everywhere from Westminster Cathedral to Nike headquarters, Bona Stains and Finishes work in perfect tandem to seal in the natural beauty of hardwood floors while protecting them from the daily attacks of soccer cleats, high heels and gooey afternoon treats.

Bona's industry-leading waterbased finishes protect the beauty of floors while providing the cleanest finishing process in the business.

With Bona Finishes, everyone wins: Homeowners can stay at home, no one is exposed to harsh chemicals, and we're good for the health of the planet too.

Bona is GREENGUARD certified to meet strict chemical emissions limits for healthier indoor air quality.

## Bona: Complete Care It begins once it's finished.

### Bona Professional Floor Care

To keep every floor as pristine as possible, choose Bona Hardwood Floor Cleaners to make the process quick and easy.

Our waterbased, non-toxic formulas will get rid of the dirt and dust safely. Leave no chemical residue that could dull the wood.

Remember, too much liquid or the wrong formula will undermine the floor's finish. Bona Professional Floor Care. The best way to ensure a lifetime of beautiful, glowing hardwood floors.

Recommended by professionals since 1919.
