Bona[®]

Bona PowerRemove R

Powerful cleaning agent

Bona PowerRemove R is a powerful cleaning agent with superior strength, developed for the effective removal of polish, dirt and cleaning residue from resilient floor coverings such as PVC, Linoleum, LVT and Rubber. Specially developed for tough jobs, with speed and efficiency Bona Power Remove R removes old coatings and contaminants in no time, leaving floors cleaned and ready for a new coat.

KEY BENEFITS

- Superior strength formula
- Fast removal of maintenance coatings and contaminants
- Extremely high degree of efficiency
- Reduced pH prevents alkaline staining
