

Who is Bona?

- A Swedish business established in 1919.
- World leader and experts in wood floor care.
- Products used on prestigious floors in palaces, museums, galleries, sports arenas and homes worldwide.
- The No.1 brand recommended by flooring professionals.
- A professional quality floor care brand.

Bring out the best in your floors!

- Wet mopping with too much liquid damages wood and laminate floors.
- Multipurpose cleaners and washing up liquid can leave streaks and a dulling residue on floors.
- Bona's award winning Floor Care products are the safe and effective solution.
- The Bona Wood Floor Cleaner has been awarded BEST wood floor cleaner in independent tests.
