

STRONGBOND Comslab 7mm

TECHNICAL DATA SHEET

STRONGBOND Comslab 7mm is a premium double-stick carpet underlay developed for demanding commercial environments. Combining long-lasting durability with enhanced underfoot comfort, it delivers reliable support and stability in high-traffic areas. Ideal for hotels, motels, convention centres, retirement villages, healthcare facilities, government buildings, and other commercial spaces. **STRONGBOND Comslab 7mm** is built to withstand the rigours of everyday use. Its firm, resilient construction provides excellent support for wheeled traffic, making it particularly suitable for areas frequently used by trolleys, wheelchairs, and other rolling equipment.
