

TECHNICAL DATA SHEET

Sabre® THUNDER WIPES

Tackle tough mess rapidly with Sabre THUNDER WIPES™, the superior cleaning wipe for removing paint, adhesive, sealant, bitumen, silicone, uncured PU foam, resin, oil, ink and grease from tools, hands and surfaces. Proudly Kiwi owned, Sabre THUNDER WIPES™ are trusted by tradies for everyday trade and DIY use.

Features

- A high strength, textured fabric packed with a special solution to clean easily and safely without any need to scrub
- Tough on grime, gentle on hands with added Aloe Vera
- Kills 99.9% of germs commonly present on hands and surfaces
- Durable tub and lid design
- Easy wipe removal & tear-off and a handy wipe storing cavity within the lid to allow for lid closure & moisture retention
- Recyclable tub & lid made with less plastic, resulting in less air and less dry-out

Applications

- Dirt
- Grime
- Oil & grease
- Finger marks
- Wet and semi-cured paints
- Sealants
- Bitumen
- Adhesives
- Expanding foams
- Polyester fillers
- Epoxies

IMPORTANT NOTICE

Sabre Adhesives Limited makes no warranties, express or implied, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose. User is responsible for determining whether the product is fit for a particular purpose and suitable for user's method of application. Due to the fact that specific substrates, such as: plastics, polycarbonates, etc, may differ from manufacturer to manufacturer we recommend preliminary compatibility tests. Please remember that many factors can affect the use and performance in a particular application. The materials to be bonded with the product, the surface preparation of those materials, the product selected for use, the conditions in which the product is used, and the time and environmental conditions in which the product is expected to perform are among the many factors that can affect the use and performance of a product. Given the variety of factors that can affect the use of our products some of which are uniquely within the user's knowledge and control, it is essential that the user evaluate the product to determine whether it is fit for a particular purpose and suitable for the user's method of application.

LIMITATION OF REMEDIES AND LIABILITY

If the product is proved to be defective, the sole remedy shall be to refund the purchase price or to repair or replace the defective product. Sabre shall not otherwise be liable for loss or damages, whether direct, indirect, special, incidental, or consequential, regardless of the legal theory asserted, including negligence, warranty, or strict liability.
