## HOW TO

### Using Sure Seal® products is easy!

Follow the simple 3 step process to protect your surfaces for years to come.

**CLEAN:** Cleaning is easy, just apply to soiled area, allow a few minutes of dwell time, agitate then rinse with clean water. Procedure may vary depending on product selected. Sure Seal® cleaning products are powerful, fast-acting and heavy duty whilst still being environmentally friendly.

**SEAL:** Simply apply 2 coats to provide long term protection against oil & water-based staining. Protect your grout, tile & stone surfaces for years to come with one of Sure Seal's superior sealers.

**MAINTAIN:** Surfaces sealed with Sure Seal® sealers are much easier to clean and maintain with our Grout, Tile & Stone cleaners which have been specially formulated for easy ongoing maintenance.

Select Sure Seal® products with confidence to clean, seal and maintain any surface including grout, tiles, concrete, pavers and natural stone.

- Always read full application instructions on product label prior to use.
- Technical Data Sheets can be downloaded from our website.
- Test in an inconspicuous area before use to determine suitability for the application.
